## FCC ANNOUNCES TENTATIVE AGENDA FOR MAY 20<sup>th</sup> OPEN MEETING

Washington, D.C. -- Today, Federal Communications Commission Chairman Julius Genachowski announced that the following items will be on the tentative agenda for the next open meeting scheduled for Thursday, May 20, 2010:

- **Mobile Wireless Competition Report:** The 14th edition of the Mobile Wireless Competition Report, analyzing the state of competition in the mobile industry by expanding upon previous FCC inquiries and considering the broader mobile wireless ecosystem.
- **WCS-SDARS Report and Order:** A Report and Order that enables robust mobile broadband use of 25 MHz of spectrum in the 2.3 GHz Wireless Communications Service (WCS) band while protecting neighboring incumbent operations.
- **E-Rate NPRM:** A Notice of Proposed Rulemaking initiating reforms to the E-Rate program to make broadband more accessible in schools and libraries, and to cut red tape.
- **Pole Attachments Order and FNPRM:** An Order and Further Notice of Proposed Rulemaking to implement the National Broadband Plan recommendations to foster competition and broadband deployment by ensuring nondiscriminatory, just, and reasonable access to utility poles.
- **Local Number Portability Report and Order:** A Report and Order standardizing the processes for transferring telephone numbers in one business day to ensure the benefits of competition for consumers.

Topics selected for FCC open meeting agendas will be posted on the Commission's website approximately three weeks prior to the Commission's next monthly meeting. The Commission will also issue a public notice of the "Commission Meeting Agenda" one week before the meeting and announce at that time the items that are scheduled for the agenda.
